Dear Friend,

I am glad to know
your taking your
holiday in such lovely
country. I have been
here for three weeks
and leave on the 30th
when I got via Gmunden
to Switzerland and later
to Triano near Florence.
Miss Pinwill shall be
welcome and I will see
her before the Exam
to give her the best
advice I can. Of course
I can be sure that
she will be admitted
[page break]

at the Hochschule before
I have heard here
and you must be pleased to tell her so. We
generally have about
40 or 50 applications

and can only choose
about ten of the number.

With affectionate
greeting

Yours very sincerely

Joseph Joachim
